Date: May 27, 2005
To: WHOM IT MAY CONCERN
From: Chuck Jarrell, County Manager
RE: Recommendation Letter

I have worked with Precision Planning, Inc. for the last year on our Historic Courthouse Restoration and other engineering projects and have found them to be professional and very responsive to our needs. We would recommend using Precision Planning to other County and City governments in their construction projects.

Sincerely,

Charles B. Jarrell, Jr.
County Manager
