Mr. Davis,

As you know, everyone involved was pleased with the work your firm did in the design of our Detention Center and Law Enforcement Center. It resulted in two functional, practical and cost effective facilities. The Precision Planning team did a great job of addressing all of our requirements. I want to thank you for providing us with spaces that have been easy to maintain and monitor.

Everyone who works continues to be very pleased with the finished product and I look forward to working with Precision Planning on future projects.

Sincerely,

Charles A. Toole, Sr.
Chief Jailer
